Section V - Comparable Sales/Assessment Grid Analysis

An appraisal may be submitted for completion of this section.

An appraisal establishing the fair market value of the subject property under appeal as of the assessment date may also be submitted. (Note: If a hearing is held in the case, the Property Tax Appeal Board will be better able to judge the weight and credibility of the appraisal if your appraiser testifies in person.)

Evidence of recent sales of property comparable to the subject property, including the dates of sale, the prices paid, and a property record card or description of each sale showing how it compares to the subject property may also be submitted. (Note: The comparable sales should be similar to the subject property in design, age, amenities, and location.) Provide at least three comparables.

Evidence of assessments of property similar to the subject property, including current assessment of each property, the property record card for each property, or description of each property demonstrating its comparability to the subject property, may also be submitted. (Note: The assessment comparables should be similar to the subject property in size, design, age, amenities, and location.)

Provide at least three comparables. All comparables should be similar to the subject in size, design, age, amenities, and location. Photographs of the comparables should be submitted.
